

## **BSB30120** **Certificate III in Business**

### **OVERVIEW**

Certificate III in Business is suited to those working in a variety of Business Services job roles.

Individuals in these roles carry out a range of routine procedural, clerical, administrative or operational tasks that require technology and business skills. They apply a broad range of competencies using some discretion, judgment and relevant theoretical knowledge. They may provide technical advice and support to a team.

## Course information

- Training will be delivered by one of our professional trainers who have extensive industry experience.
- The qualification is offered in an on-the-job capacity, involving training and assessing in the workplace.
- Facilitated off-job workshops may be offered to supplement the training process.
- The program is offered over a maximum of 2 years for full-time employees and 3 years maximum for part-time employees.
- The qualification will be delivered under a workplace traineeship arrangement, where funding may be available resulting in an \$800 administration fee.
- On successful completion you will be awarded with the nationally recognised qualification BSB30120 – Certificate III in Business.
- For information regarding refunds, LLN issues, Recognition of Prior Learning, available support services and other relevant information, please refer to our Student Guide. This can be provided on request.

## Course content

There are 13 units to complete in BSB30120 Certificate III in Business, 6 core units and 7 elective units.

Students will receive on-the-job guidance and mentoring from their trainers and workplace supervisors with opportunity to put into practice the skills they learn from the units.

Training utilises materials such as learner's guides, relevant websites, video clips and paper based/ electronic resources.

Assessments will be conducted using a variety of assessment tools including observation and knowledge assessments.

You will develop skills including but not limited to the following:

- Apply critical thinking skills in a team environment
- Support personal wellbeing in the workplace
- Participate in sustainable work practices
- Use inclusive work practices
- Assist with maintaining workplace safety
- Engage in workplace communication
