

CHC43415 **Certificate IV in Leisure and Health**

OVERVIEW

Certificate IV in Leisure and Health reflects the role of workers participating in the design, implementation and evaluation of leisure, health activities and programs for clients in one or more sectors.

Workers may be in residential facilities and/or in community agencies and day centres, completing specialised tasks and functions in relation to leisure and health. While workers are responsible for their own outputs, work is carried out under direct or indirect supervision within defined organisation guidelines.

To achieve this qualification, the candidate must have completed at least 120 hours of work as detailed in the assessment requirements of the units of competency.
